

ORANGE T-SHIRT and ORANGE SWEATER ORDERS 2021

Dear Community Partners:

The Woodland Cultural Centre is now accepting bulk orders of Orange T-Shirts for Orange Shirt Day 2021. This year we will also be selling Orange Sweatshirts.

Orange Shirt Day occurs annually on September 30th. It is one of the ways that we honour in a mindful way the experiences, memories and personal, spiritual and cultural resiliency of Survivors and former students of Canada's residential school system. Orange Shirt Day originated in British Columbia from the story of Phyllis Webstad, whose grandmother had purchased a new orange shirt for Webstad to wear on their first day of school; upon admission, that shirt was taken away and she never saw it again. The Orange Shirt has since been adopted as a visual representation of what our communities have endured throughout the legacy of residential schools and are a recognizable way for us to show our support for Survivors in their healing journeys. Webstad has encouraged communities and organizations across Canada to design their own shirts to honour the experiences of their own communities, and that is exactly what we here at the Woodland Cultural Centre do.

T-Shirts are available in Youth Sizes Small - Youth X-Large, and Adult Sizes Small - Adult 4X-Large. All shirts are 100% cotton, and all sizes are Unisex. **The cost per t-shirt is \$20.00.**

Sweatshirts are available in Youth Sizes Small – Youth X-Large, and Adult Sizes Small – Adult 4X-Large. All sweatshirts are a mix of cotton and polyester, and all sizes are Unisex. **The cost per sweatshirt is \$40.00.**

Orders are due Thursday August 5th. All orders will be available for pickup from Woodland Cultural Centre (184 Mohawk Street, Brantford ON), no later than Tuesday September 7th. Delivery may be available for an additional fee and by special arrangement only.

All proceeds from these sales go towards supporting the *Save the Evidence* campaign, which aims to repair and restore the former Mohawk Institute Residential School for use as a culturally interpretive historic site. As one of only a handful of former residential school buildings still standing in Canada, and one of only two in Ontario, the site will be incorporated into Woodland Cultural Centre's one-of-a-kind educational experience and stand testimony to continued Indigenous Resilience.
